

# OUTSTANDING PAPER AWARD

Presented to

## Andrew Lock

University of Southern Queensland

For the Paper Entitled:

**“Optical Aerodynamic Measurements of Hypersonic Free-Flight Using Bayesian State Estimation”**

Presented at the  
2023 AIAA Aviation Forum  
12-16 June 2023  
San Diego, CA & Online

A handwritten signature in black ink, reading 'Ryan S. Kew'.

---

Ryan S. Kew, Chairperson  
AIAA Ground Testing Technical Committee

# OUTSTANDING PAPER AWARD

Presented to

**Gerard Armstrong**

University of Southern Queensland

For the Paper Entitled:

**“Optical Aerodynamic Measurements of Hypersonic Free-Flight Using Bayesian State Estimation”**

Presented at the  
2023 AIAA Aviation Forum  
12-16 June 2023  
San Diego, CA & Online

A handwritten signature in black ink, reading 'Ryan S. Kew'.

---

Ryan S. Kew, Chairperson  
AIAA Ground Testing Technical Committee

# OUTSTANDING PAPER AWARD

Presented to

## Flynn Hack

University of Southern Queensland

For the Paper Entitled:

**“Optical Aerodynamic Measurements of Hypersonic Free-Flight Using Bayesian State Estimation”**

Presented at the  
2023 AIAA Aviation Forum  
12-16 June 2023  
San Diego, CA & Online

A handwritten signature in black ink, reading 'Ryan S. Kew'.

---

Ryan S. Kew, Chairperson  
AIAA Ground Testing Technical Committee

# OUTSTANDING PAPER AWARD

Presented to

**Byrenn Birch**

University of Southern Queensland

For the Paper Entitled:

**“Optical Aerodynamic Measurements of Hypersonic Free-Flight Using Bayesian State Estimation”**

Presented at the  
2023 AIAA Aviation Forum  
12-16 June 2023  
San Diego, CA & Online

A handwritten signature in black ink, reading 'Ryan S. Kew'.

---

Ryan S. Kew, Chairperson  
AIAA Ground Testing Technical Committee

# OUTSTANDING PAPER AWARD

Presented to

**David Buttsworth**

University of Southern Queensland

For the Paper Entitled:

**“Optical Aerodynamic Measurements of Hypersonic Free-Flight Using Bayesian State Estimation”**

Presented at the  
2023 AIAA Aviation Forum  
12-16 June 2023  
San Diego, CA & Online

A handwritten signature in black ink, reading 'Ryan S. Kew'.

---

Ryan S. Kew, Chairperson  
AIAA Ground Testing Technical Committee

# OUTSTANDING PAPER AWARD

Presented to

## Ingo Jahn

University of Southern Queensland

For the Paper Entitled:

**“Optical Aerodynamic Measurements of Hypersonic Free-Flight Using Bayesian State Estimation”**

Presented at the  
2023 AIAA Aviation Forum  
12-16 June 2023  
San Diego, CA & Online

A handwritten signature in black ink, reading 'Ryan S. Kew'.

---

Ryan S. Kew, Chairperson  
AIAA Ground Testing Technical Committee
